**Independent  
Contractor  
Seniors Transition Consultant**

**Lifestyle 55+ Network Inc., (known as SeniorCareAccess.com)** is a person-centred organization offering solutions for older adults, carers and professionals working with seniors who are facing a transition in life. We are expanding our Consultant Program across Southern Ontario and are seeking Independent Contractors able to work part-time or full-time.

If you have experience in senior healthcare, Alzheimer's/Dementia, senior residence placement, lifestyle solutions, senior transitions and sales and are looking to break away from the corporate model, this independent, flexible and most rewarding opportunity may be a perfect fit for you.

Using your years of experience, you will continue to build your knowledge within our flexible training program allowing you to deliver our programs into your community. We are looking for unique, outgoing, entrepreneurial individuals ready to discover community opportunities in assisting families and older adults.

The SCA Consulting program aims to offer older adults, families and seniors an opportunity to answer the initial questions of those facing a late-in-life transition. These transitions may be related to healthcare, aging in place, retirement home selection and placement, locating care providers, financial preservation, family counselling, mediation, downsizing, estate planning, healthcare navigation, executor assistance, Wills or seniors' real estate. Where do we begin?', *'What to ask?'*, *'Who to ask?'* and *'What services are available?'* are often the questions families ask as we begin determining their plan of action.

SCA Consultants offer a FREE 1 hour consultation (fact finding and intake), create a 'Plan of Action' based on the established goals or requirements and then offer to have the plan of action implemented for a fee. In many circumstances, we offer a hand-holding experience improving their quality of life.

In addition to your existing experience, you will have the opportunity to be trained in many of the programs that SeniorCareAccess utilizes. Programs may include:

-  The Ashby Memory Method™ (AMM) is cognitive retention therapy for early to mid-stages of Alzheimer's and Dementia. You may be trained to deliver the program one-on-one with participants and be able to train other professionals seeking certification (if qualified). AMM is provided by Pivotal Aging Innovations Inc.
-  W.R.A.F.T., a proprietary program delivering MOHLTC/RHRA mandated compliance for Long- Term Care and Retirement Homes (if qualified) W.R.A.F.T. is provided by Pivotal Aging Innovations Inc.
-  Seniors Real Estate Programs is delivered by a network of senior-focused REALTORS®, Accredited Senior Agents™ and MASTER Accredited Senior Agents™. ASA™ is provided by Pivotal Aging Innovations Inc.
